Brookside Pond Board

Goodbye ...

Brookside Swim Club is sad to announce that Art McAnerny will not be returning as our manager for the 2011 season. He was loved and respected by staff and members alike, and will be missed by all! A big thank you goes out to him for his hard work and dedication over the past two summers. Please join the board in wishing him a fond farewell and best wishes in any and all new endeavors!

... and Hello

The manager's position left vacant by Art will be enthusiastically filled by our own Ann Marie Waidelich! Mrs. Waidelich brings four years of assistant managerial experience to the job. Brookside Swim Club is confident that the transition will be smooth. Good Luck Ann Marie!

Swim Team

Head Coach Carrie Ann Egan, along with assistants Travis Catania and Alex Krueger, led Brookside's 65 swimmers to a very successful season! Our 8-2 record earned us First Place in our division for Dual Meets. This is the third year in a row that we brought home a trophy. We came in 5th at Championships! Many of our swimmers attended Conferences and competed well. Congratulations to Andrew Thompson, who broke Charlie Brindle's 1984 50 fly record with a 34:17!! We all have much to be proud of. Go Brookside!!

Buildings & Grounds Business

The loss of our main pool pump and motor, right before a busy weekend, made for a rough start to the season! Through the efforts of Art, Steve Napolitano, Ken Christian and our excellent contractor, we were able to locate a replacement unit and complete installation without impacting membership hours. Unfortunately, this set us back the un-budgeted sum of \$11,000.

New additions to the grounds this year included 6 new tables and several additional umbrellas, as well as our AED unit! This last can be seen prominently displayed in its cabinet in the breezeway. Many thanks to our members who funded this life-saving piece of equipment through a dues assessment.

Looking to the summer of 2011, we will be soliciting bids for a new gazebo roof, which is leaking and generally past its useful life. Lastly, we are planning to resurface the main pool in the next few years! This will be a large capital expense, but a necessary one which will maintain the pool's integrity and extend the number of years we are able to enjoy it!

Board Business

The fundraising position on Brookside's Board has been vacated. Any interested parties?? Please e-mail teamvignuolo@verizon.net (Susan Vignuolo) for more information.

Social Status

We kicked off the summer at Brookside with our annual Ice Cream Social that took place on Saturday June 26th. All who attended sampled frozen treats courtesy of the pool! Brookside's Poker Night on Saturday, July 23rd enjoyed its greatest turnout to date! Congratulations to our own Brian Clarke who won the big prize. Next up was Family Fun Day on Sunday, July 25th. Adults and kids lined up to try their luck on the obstacle course. It was a packed house and a good time was had by all! Many thanks to Ann Marie Waidelich and Leslie Thompson who organized and ran our Preteen, Tween and Teen Nights. All were well-attended! Our grand finale was the annual John Emery Golf Outing and Adult-only End of the Year Party on Friday September 3rd. Music was provided by Mike Malone of Music N Motion and the delicious food was catered by Steve Izzo of Nonna's in Marlboro. We had a great turnout and a fabulous time! Keep checking your e-mail for a Winter (January) get together for Adults!
