Welcome

Brookside is happy to announce that Ann Marie Waidelich will be our manager for the summer of 2011! Mrs. Waidelich has several years experience as an assistant manager. She has also recently completed her CPO (Certified Pool Operator) training, and passed her test with flying colors. She will be ably aided by this year's assistant managers, Brian Rose and newcomer Jack Blalock, who comes to us from Crystal Springs.

Buildings and Grounds

Once again the work weekend crews did a great job in getting the buildings and grounds ready for another season. We have a new roof on the gazebo, which will protect our assets and serve us for many years. The ladies room has a new coat of paint and our grounds have been spruced up courtesy of Mikes Country Market (Thanks Mike!!). We have spent the pre-season making many repairs to our aging plumbing system, the pump room valves and water lines, the floodlights, the baby pool surface, main pool tiles and edge coping and our public address system. Please bear with us as we do our best to make all the needed repairs.... Anyone with expertise and time on their hands is encouraged to help out!
