

2014 Brookside Mini Minnow (Go for the GOLDFish) Meet

Timing Assignments: In order to ensure a smooth and efficient meet, all teams are asked to make sure their timing assignments are covered.

- Notes:**
1. We will be swimming 8 lanes
 2. The meet is divided into two halves: event 1-22, then events 23-46 (inc. parent events). Session 2 timers will be asked to report to a timers meeting immediately following event #22 and will time the parent events.
 3. There will be a total of 3 timers per lane. No experience is necessary.
 4. Brookside will have one manual timer/writer in each lane per session.
 5. There will be two timers from visiting clubs in each lane.
 6. Lane timers from each club will be using push button timers which are connected electronically to the computer console. Buttons need only be pressed at the end of the race (not at the start) when your swimmer touches the wall (press button decisively) There are no touch pads. Clubs will not need to bring watches.
 7. The number of timing assignments for each club is based on the number of swimmers entered.
 8. We will call for each session timers approximately 20 minutes prior to the start of each session.

	Lane 1	Lane 2	Lane 3	Lane 4	Lane 5	Lane 6	Lane 7	Lane 8	BACK-UP
